

## **Wednesday 1<sup>st</sup> April 2020**

Morning Activity

Movement Break / Activity Time (See list at bottom of page)

### **Literacy**

Choose 5 tricky words from tricky words 1 – 10 and write a sentence for each word.

Make the other five words using play doh, play foam, pasta shells, Lego blocks etc. Be creative!!!

Play a splat memory game (Mum & dad have permission to cut up your tricky words from your folder – make sure you can still see the number)

You will need tricky numbers 1 – 10 and Fly swats/egg flips.

Place words down face up. Call out a word. See how quickly you can swat the word.

(30 Mins)

Break Time

### **Maths**

Listen to the numeral song and follow on a whiteboard or a page of paper.

( <https://www.youtube.com/watch?v=liKBXp5kdL8> )

Count to and from 20. Clap counting forward to 20, click counting backwards from twenty. Repeat 3 times.

Count to and from 20 again but using different starting points.

E.g. Start at 8 and stop at 17, Start at 19 stop at 6 etc.

(10 mins)

Activity

Draw a set of picture cards for numbers 6 - 10.

Game

Step 1

Match number cards 1 – 10 (that you printed or made on Monday) to the corresponding number sets that you have made on Tuesday and Wednesday.

Step 2

Play memory match.

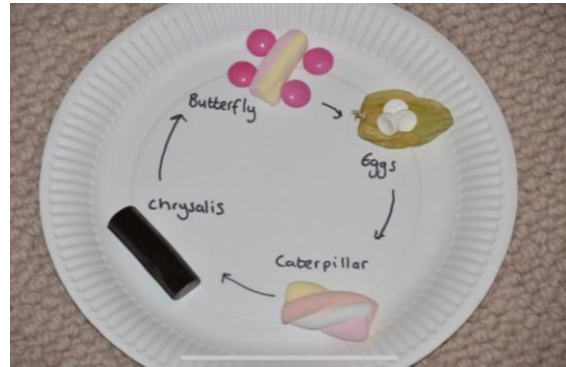

Each pair will need a set of numerals 1-10 and either then picture cards 1 - 10 apple picture cards or the banana picture cards. The aim is to match a picture card to the corresponding numeral. The children take turns to turn over two cards. If they have a matching pair they retain the cards, say my number x matches my set of x; otherwise the cards are turned over again. The winner is the one with the most pairs

(20 Minutes)

### **SESE/Visual Arts**

Create the Lifecycle of the Butterfly. You can use this worksheet from [Twinkl](https://www.twinkl.com/worksheets/primary/primary-science/primary-science-lifecycle-of-a-butterfly-worksheet.html) or be creative and make your own. Some ideas below or at the following link.
